

RETRO COLLECTIVE

This DFW-based cover band features a female guitarist-lead vocalist and male keyboardist-vocalist, trading off dreamy indie-pop and alternative classics from the '90s and 2000s. From “Kiss Me” and “Dreams” to “Mr. Brightside” and “Crazy,” their dual-vocalist chemistry and keys-driven sound blend nostalgic MTV favorites with soulful R&B grooves.

Perfect for weddings, bars, corporate and private events!
