

# SUITE SENSATIONS

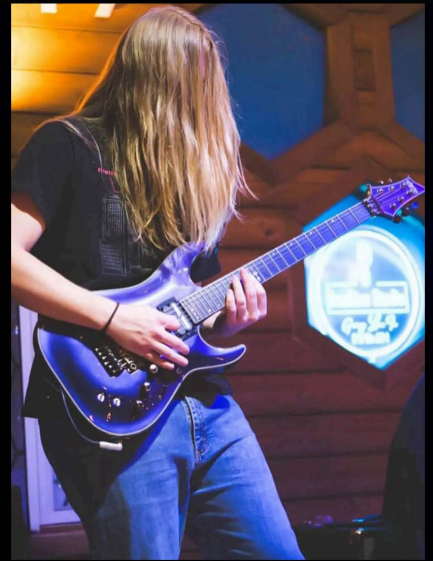

This DFW-based original rock quintet crafts genre-bending grooves that fuse funk, progressive rock, and yacht rock nostalgia into something playfully profound, anchored by dual vocalists on guitar and keys. Their five-piece lineup delivers intricate arrangements and silky hooks across entirely original material that feels both retro-familiar and refreshingly inventive.

Perfect for bars, record store events, festivals, and private events!

Typical local draw: 10-25
